## ARRIVAL AND DEPARTURE

If you can find cheaper transport options 1-3 days before or after the project dates you can do that. But keep in mind that if you decide for that option **you have to cover the accommodation and food costs yourself** on those extra days.

## TICKETS AND TRAVEL COSTS

Please be aware that money to buy the ticket will be reimbursed to your organization after the project when we get the money from National Agency and it might take some time (up to few months).

Also keep in mind that every participant will get reimbursement only up to the maximum prices set by the European distance calculator. Any ticket with higher price will have to be covered by participants themselves. The sum is for return ticket and covers the travel costs from participant's home to accommodation in Brežice.

**IMPORTANT:** In order to get money reimbursed we need you to give us the original invoice for every ticket you buy, we need the original ticket and the original boarding pass. **IF ANY OF THESE DOCUMENTS ARE MISSING WE CAN'T REIMBURS MONEY TO YOU.** So please do take care that participants bring all the documents with them. On all the tickets has to be written **your name and surname, date of travel, from where to where was the journey, and the price.** After the participants come back home they will have to send us their original return tickets.
